Re: Annual Certification of Eligible Telecommunication Carriers  
(ETCs) for Eligibility to Receive Federal High-Cost Fund  
Support

05-GF-135

CC Docket No. 96-45

Dear Ms. Dortch and Ms. Majcher:

The Federal Communications Commission (FCC) requires that state commissions must file an annual certification with Universal Service Administrative Company (USAC) and the FCC stating that all federal high-cost fund (HCF) support provided to carriers in their respective states will be used only for the intended purposes.<sup>1</sup> The FCC left it open for the state commissions and the affected carriers to develop an appropriate mechanism for such certifications.

As in previous years, the Commission received sworn affidavits from the carriers identified in the enclosed list. The list identifies the name and study area as identified by USAC, and the date of receipt. All Eligible Telecommunications Carriers (ETC) receiving or projected to receive HCF support in the first quarter of 2007 have submitted affidavits.

In its sworn affidavit, each carrier states:

4. Carrier files this affidavit in compliance with the Federal Communications Commission's order of May 23, 2001, in Docket No. 96-45, which requires states to certify to the Federal Communications Commission that all Federal High-Cost

<sup>1</sup> In the Matter of Federal-State Joint Board on Universal Service, CC Docket No. 96-45/CC Docket No. 00-256, Fourteenth Report and Order, Twenty-Second Order on Reconsideration, and Further Notice of Proposed Rulemaking in CC Docket No. 96-45 and Report and Order in CC Docket No. 00-256 (FCC 01-157) (released May 23, 2001).

Support within this state be used only for the provision, maintenance, and upgrading of facilities and services for which the support is intended.

5. Carrier hereby states that it will use the Federal High-Cost Support Funds only for the provision, maintenance, and upgrading of facilities and services for which the support is intended pursuant to § 254(e) of the Federal Telecommunications Act of 1996.

Relying on these sworn affidavits, the Commission certifies that all the federal HCF support funds received by these Wisconsin companies will be used only for the provision, maintenance, and upgrading of facilities and services for which the support is intended pursuant to § 254(e) of the Federal Telecommunications Act of 1996.

The Commission has taken note of the FCC's recent revisions to the annual certification and reporting requirements for ETCs under its jurisdiction and that in its order the FCC encourages states to adopt these same requirements.<sup>2</sup> The Commission has issued a notice in rulemaking Docket No. 1-AC-198 addressing proposed rule changes to the Wisconsin Universal Service Fund. Those rules include provisions regarding ETC certification. The notice includes a request for comment as to whether changes in our state rules concerning ETC status "are necessary or desirable pursuant to the changes made to the federal ETC requirements" by the FCC.

Questions regarding this matter may be directed to Jeff Richter, of our staff, at (608) 267-9624.
